LAURA M. COLANTONI
CV – SEPTEMBER 2025

Biographical Information

Personal

Laura M. Colantoni

Dept. of Spanish & Portuguese
Northrop Frye Hall 304
Toronto, ON, M5S 1K7
(416) 585-4454

Degrees

PhD, Hispanic Linguistics (2001)	University of Minnesota Thesis: "Mergers, chain shifts, and dissimilatory processes: Palatals and rhotics in Argentine Spanish" Supervisors: Francisco Ocampo & Joseph Stemberger
MA, Linguistics (1991)	University of Buenos Aires
Teaching degree in Letters (1990)	University of Buenos Aires

Employment

- Professor, Department of Spanish & Portuguese (2014 to present)
- Associate Chair, Undergraduate, Department of Spanish & Portuguese (2022 to 2025)
- Acting Vice-Dean, Faculty and Academic Life, Faculty of Arts & Science (January-June 2023)
- Chair, Department of Spanish & Portuguese (2014-2019)
- Visiting Associate Professor, Department of Spanish & Portuguese Studies, University of Minnesota (January – May 2009)
- Assistant Professor, Department of Spanish & Portuguese (July 2002 to 2007)
- Appointed to Graduate School, University of Toronto (July 2002 to present)
- Associate Faculty Member, Graduate program, Department of Linguistics, University of Toronto, Toronto, ON (July 2006 to present)
- Visiting Professor, Graduate program in Linguistics, University of Buenos Aires (Spring 2002; December 2010; April-May 2021)

- Visiting Professor, Graduate program in Speech and Communication Disorders, University of Buenos Aires (Fall 2001)
- Visiting Professor, Graduate program Education, University of Formosa, Argentina (Fall 2001)
- Assistant Professor, Faculty of Letters and Philosophy, University of Buenos Aires (2000-2001)
- Research Assistant, Department of Spanish & Portuguese, University of Minnesota (1997-1999)
- Teaching Assistant, Department of Spanish & Portuguese, University of Minnesota (1997-1999)
- Head instructor, Faculty of Letters and Philosophy, University of Buenos Aires (1996-1997)
- Instructor, Federal Teaching Development Network, Ministry of Education, Argentina (1996)
- Visiting Assistant Professor, Department of Economics, University of Lomas de Zamora, Argentina (1996)
- Instructor, Faculty of Letters and Philosophy, University of Buenos Aires (1991-1996)
- Instructor, Colegio Nacional de Buenos Aires, University of Buenos Aires (1991-1994)

Professional Affiliations and Activities

- Association of Laboratory Phonology
- International Phonetic Association (IPA)
- Linguistic Society of America (LSA)
- Canadian Linguistic Association (CLA)

Academic History

Research endeavours

- "Cross-dialectal influence in the Latin American Diaspora in Spain" (2024 to present). With Christine Shea, Gemma Repiso Puigdelliura & Bruno Staszkiewicz.
- "Meaning and prosody of non-canonical questions" (2023-to present). With Michela Ippolito.
- "The phonetic dimensions in variable grammatical systems" (2019-present). With. Ana Pérez Leroux.
- "Learning L2 intonation" (2016-7). With: Alana Johns.
- "Imitation of articulatory gestural patterns" (2015- 2020). With Alexei Kochetov (PI) and Yoonjung Kang.

- “Learning L2 prosody: the meaning as a filter hypothesis” (2012-2016). With: Marta Ortega-Llebaria, Alana Johns and José Ignacio Hualde.

- "L2 English intonation: perception and production" (2010-2012). With: Marta Ortega-Llebaria.

- "Gestural origins of speech errors" (2009-2012). With Pascal Van Lieshout, Jeffrey Steele, and Kevin Munhall.

- "A multilingual corpus of articulatory kinematic data for interdisciplinary speech production research" (2008-2011). With Alexei Kochetov.

- "Quantitative and laboratory approaches to the study of macro and micro sound variation and change in Spanish" (2005-2010)

- "Phonetic variation and phonological categorization: quantitative and qualitative evidence from the study of palatal vowels and consonants" (2004-2008)

  University of Toronto Romance Phonetics Database (2004-present). With Jeffrey Steele. https://rpd.artsci.utoronto.ca, (username: rpd; password: romphon).

- "An experimental study of the phonetics, phonology and acquisition of obstruent-liquid clusters in French and Spanish" (2003-2008). With Jeffrey Steele.

- "Acoustic-phonetic motivations of consonantal changes in Argentine Spanish" (2002-2004)

- "Language change in Peru. Dialect contact as a result of Andean migration to Lima" (2000-2002). Project Director: Carol Klee (University of Minnesota)

- "Syntax-phonology interface" (1998-2002). Project Director: Ofelia Kovacci (University of Buenos Aires)

- "The Consonantal system of Argentine Spanish" (1996-1997)

- "Program of Applied Linguistics: Academic Communication in the University”. Individual sub-project: “Structure and argumentation in academic reports" (1995-1998). Project Director: Ofelia Kovacci (University of Buenos Aires)

- "The Linguistic-Anthropologic Atlas of Argentina" (1994-1997). Project Director: Ofelia Kovacci (University of Buenos Aires)

- "The Linguistic Atlas of Hispanic America. Argentina: provinces of Buenos Aires, Cordoba and San Luis”. Individual sub-projects: Data collection, Phonological and Dialectological analysis" (1994-1996). Project Director: Ofelia Kovacci (University of Buenos Aires)

- "Parables in the Gospels: structure and meaning" (1993-1994). Project Director: Amalia Nocito (University of Buenos Aires)

Research awards

SSHRC Insight Grant, 2025-2030. "Non canonical questions: a multimodal approach to understanding bias": $187,747 (Co-PI; w/ M. Ippolito, PI, M. D'Imperio. L. Tieu and S. Romanelli, collaborators)

Jackman Humanities Institute, Scholars in Residence Program. 2025. "What our eyes and our ears tell us about grammatical categories": $2000 and 5 Research Assistants (w/ A. T. Pérez Leroux)

Jackman Humanities Institute, 6-month fellowship. 2025. "Mixed worlds: linguistic outcomes of Spanish colonialism": $5000 + teaching release.

SSHRC Aid to Research Workshops and in Canada Program Grant, 2024-2026, "New Sounds 2025": $24915 (PI J. Schertz)

University of Toronto, Faculty of Arts and Science. 2024. Dean's Research Excellence Award. $10,000.

Tri-council Bridge funds (University of Toronto). 2024. "Meaning and prosody of non-canonical questions". $20,000 (CoPI; PI: M. Ippolito).

SSHRC Insight Grant, 2020-2025, "The impact of phonetic variability on bilingual morpho-syntax: The case of Spanish-English bilinguals"*:* $179 979 (PI, w/A.T. Pérez Leroux, CoPI; S. Bejar; A. Cuza; E. Johnson; N. Mazzaro; J. Schertz, collaborators)

Tri-council Bridge funds (University of Toronto). 2019. "The phonetic dimensions in variable grammatical systems". $6000 (w/A. Pérez Leroux).

Research Completion Funds (University of Toronto). 2016-2017. "L2 intonation". $27,000 (w/A. Johns).

University of Toronto, Faculty of Arts and Science, Dean's Excellence Award (2004, 2006, 2007, 2018, 2020, 2021, 2022, 2023, 2024).

STEP (University of Toronto, Faculty of Arts & Science). 2016-2018. "Immersed in languages": $40909 (w/S. Antebi, S. Munjic, M. Marujo, A. T. Pérez Leroux & A. Ferreira)

ATLAS (Advancing Teaching and Learning in Arts & Science). 2014-2016. "An articulatory phonetic corpus for teaching linguistics and languages": $30 345 (w/A. Kochetov & J. Steele)

SSHRC Partnership Development Grant, 2012-2015, "Learning L2 prosody: the meaning as a filter hypothesis"*:* $130 204 (PI, w/M. Ortega-Llebaria, A. Johns and J. I. Hualde)

CRIF (Curriculum Renewal Initiative Fund). 2012-2014. "Language variation and its cultural representations across the Spanish curriculum": $30 766 (PI, w/S. Antebi, J. Blackmore, M.C. Cuervo, Y. Iglesias, A.T Pérez-Leroux and R. Sarabia)

SSHRC Standard Research Grant, 2009-2013, "Gestural origins of speech errors"*:* $188 013 (Co-PIw/Pascal van Lieshout, Jeffrey Steele and Kevin Munhall)

SSHRC Aid to Research Workshops and in Canada Program Grant, 2006-2007, "3rd Conference on Laboratory Approaches to Spanish Phonology": $4 477 (Co-PI, w/J. Steele)

SSHRC Standard Research Grant, 2005-2009, "Quantitative and laboratory approaches to the study of macro and micro sound variation and change in Spanish": PI $48 419

Connaught New Staff Matching Grant (University of Toronto), 2004-2006, "Phonetic variation and phonological categorization: quantitative and qualitative evidence from the study of palatal vowels and consonants": PI $16 000

Information Technology Courseware Development Fund (University of Toronto), 2004-2005, "Development of a phonetic database for Romance linguistics courses": $3 988 (Co-PI, w/ J. Steele)

Department of Spanish & Portuguese SIG travel grants (University of Toronto), 2004, 2005, 2007: $2 897

Department of Spanish & Portuguese SIG research grant (University of Toronto), 2005, 2007, 2009, 2010, 2012: $3800

Victoria College Research grants (University of Toronto), 2003, 2004, 2005, 2008, 2009, 2011, 2024: $18 150

Victoria College travel grants (University of Toronto), 2003, 2004: $2 400

Connaught Automatic start-up grant (University of Toronto), 2004-2006, "Acoustic-phonetic motivations of consonantal changes in Argentine Spanish": PI $10 000

National Research Council (Argentina), Scholarship to pursue graduate research abroad, 1997-1999, "The consonantal system of Argentine Spanish: structure and variation": PI USD$24 000

National Research Council (Argentina), Research career development fellowship, 1996-1997, "The consonantal system of Argentine Spanish": PI USD$7 000

National Research Council (Argentina), Young researcher fellowship, 1994-1996, "The Linguistic-anthropologic Atlas of Argentina": PI USD$14 000

2012. "Contact and change". 20th Graduate Student Colloquium in Hispanic and Luso-Brazilian linguistics and literature. University of Texas at Austin, March 2-3.

2011. "Phonetic variability and ease of learning". Center for Educational Research on Languages and Literacies, OISE, University of Toronto, February 4.

2009. "Degree of variability and ease of learning". Association of Hispanic Linguistics Students, University of Minnesota, March 25.

2009. "New information and phrasing in Argentine Spanish". International Workshop on Intonational Phrasing in Romance and Germanic, University of Hamburg, January 23-24 (w/ Yadira Alvarez).

2009. “Broad focus declaratives in Argentine Spanish contact and non-contact varieties”. Research Center on Multilingualism (SFB 538), University of Hamburg, January.

2008. “Micro y macro variación fonética en español”. International Symposium 30th Anniversary of the Phonetics Laboratory, Universidad de Barcelona, December.

2006. “Discovering phonetics”. High School Students Languages Conference, University of Toronto, Toronto, ON. December. (w/ J. Steele)

2006. “Laboratory approaches to Romance phonology”. Department of Languages, Literatures and Linguistics, York University, Toronto, ON. November. (w/ J. Steele)

2006. “Evidencias del contacto con el italiano en el español de Buenos Aires”. Department of Modern Languages and Literatures, University of Western Ontario. October.

2006. “Contact and intonation: further evidence from Argentine Spanish”. Department of Spanish, Italian and Portuguese, Pennsylvania State University, March.

2006. “Micro and macro sound variation and change”. Department of Spanish, Italian and Portuguese, Pennsylvania State University, March.

2005. Invited discussant. *Workshop on Phonetics, Gender and Sexual Orientation*. Department on Modern Languages and Literatures, University of Toronto, Toronto, ON. November.

2005. “Quantitative approaches to the study of prosodic and segmental variation in Spanish”. University of Western Ontario, February.

2004. “Phonetic variation and phonological categorization: Quantitative and laboratory approaches to the study of sound variation and change”. Department of Speech and Language Pathology, University of Toronto. November.

2003. “Current trends in Spanish Phonology”. Faculty of Philosophy and Letters, University of Buenos Aires, May.

2002. “Dialectal variation and the teaching of Spanish as a second language”. Instituto Superior del Profesorado en Lenguas Vivas, Buenos Aires, Argentina, June.

List of Courses

Undergraduate courses taught

LIN423	Phonetic Analysis
LIN228	Phonetics
LIN479Y	Independent study (“An experimental study of the use of *levator labii superioris* muscles and the *orbicularis oris* muscles in the production of /w/ in Japanese and English”, w/ P. van Lieshout, 2004-05)

SPA 100	Spanish for Beginners
SPA221	Spanish Pronunciation
SPA 319/219	Spanish for Bilinguals
SPA 326	Latin American Varieties through the Media
SPA 368	Spanish and the Empire: Migrations in Language and Literature (W/S. Munjic)
SPA 420	Advanced Composition
SPA 421	The Structure of Spanish
SPA 422	Sociolinguistics of Spanish
SPA 423	Spanish Phonology
SPA 424	Experimental Approaches to Hispanic and Lusophone Linguistics
HUM 199	Babel: The myth of a universal language and the reality of linguistic diversity
ROP299	Research Opportunities Program ("A laboratory approach to the study of French and Spanish obstruent-liquid clusters", 2004-2005)
N/A	Contemporary approaches to phonological theory and its application to the study of Spanish phonology, Faculty of Philosophy and Letters, University of Buenos Aires, 2000
N/A	Introduction to Hispanic Linguistics (University of Minnesota)
N/A	First-year Spanish courses (University of Minnesota)
N/A	Spanish Grammar (University of Buenos Aires, Faculty of Philosophy and Letters)
N/A	Phonology & Morphology (University of Buenos Aires, Faculty of Philosophy and Letters)
N/A	The role of grammar in text comprehension and production (Ministry of Education, Argentina)
N/A	Techniques of text comprehension and production (University of Lomas de Zamora, Department of Economics, Argentina)

Graduate courses taught

LIN1505	Research Seminar ("Acoustic correlates of social gender", 2003)

LIN1505	Research Seminar ("Acoustic characteristics of uptalk patterns in Canadian English", 2005)
SPA1103	Topics in Spanish Phonology
SPA1104	Experimental Approaches to Sound Variation and Change
SPA 1105	Spanish intonation
SPA1083	Microvariation in Spanish (w/ A. Pérez-Leroux)
SPA1084	Experimental Approaches to Hispanic Linguistics (w/ A. Pérez-Leroux)
SPA3300	Hispanic Literature and Linguistics Research Forum (w/ C. Cuervo, A. Pérez Leroux & A. Rato)
JRL1101	Topics in Romance Laboratory Phonology I: Theory (w/J. Steele)
JRL1106	Topics in Romance Laboratory Phonology II: Experimental approaches (w/J. Steele)
JRL1111	Second Language Acquisition of Romance Phonology I: Theory (w/J. Steele)
N/A	Fundamentals of Speech Techniques, Faculty of Philosophy and Letters, University of Buenos Aires (w/J. Gurlekian, Spring 2002)
N/A	Spanish Prosody: Theoretical Aspects and Applications, Graduate Program in Communication Disorders, University of Buenos Aires (w/J. C. Enbe and M. E. Pérez Ibáñez, Fall 2001)

Theses supervised

MA Students:

Anna Limanni. 2006. "Metaphonetic diphthongization in Sicilian", Department of Linguistics, University of Toronto.

Anna Leung. 2007. "The Second Language Acquisition of Mandarin Tones by Cantonese Speakers", Department of Linguistics, University of Toronto.

Beth MacLeod. 2007. "The hiatus/diphthong contrast and resyllabification in Spanish", Department of Linguistics, University of Toronto.

Doctoral Students:

Primary supervisor

Completed:

Tanya Battersby. April 2017. "The speaker-oriented use of estar: Semantic variation in the [Copula+Adejective] context in Buenos Aires Spanish". Department of Spanish & Portuguese. Co-supervisor: Ana Teresa Pérez-Leroux.

Anna Limanni. April 2014. "Diphthong and related processes in Spanish dialects", Department of Spanish & Portuguese. Co-supervisor: Pascal Van Lieshout.

Vanina Machado Araujo. March 2024. "Cross-generational variation in Rivera: The Spanish prosody of Uruguayan Portuguese bilinguals". Department of Spanish & Portuguese.

Olivia Marasco. July 2020. "Are you asking me or telling me? Production and perception of yes/no questions and statements in L2 Spanish". Department of Spanish & Portuguese.

Irina Marinescu. January 2012. "Dialectal effects in the acquisition of the English low and mid-low vowels", Department of Spanish & Portuguese.

Ruth Martínez. December 2020. "The second language acquisition of Portuguese nasal vowels". Department of Spanish & Portuguese.

Natalia Mazzaro. May 2011. "A Sociophonetic analysis of Spanish Voiceless Fricatives", Department of Spanish & Portuguese.

Andrew McCandless. February 2025. "A perception and production training study of L2 Spanish rhotics in learners with L1 Canadian English or Canadian French". Department of Spanish & Portuguese (w/Anabela Rato).

Matt Patience. January 2022. "Articulatory difficulty in L2 Spanish". Department of Spanish & Portuguese.

Malina Radu. November 2019. "The L2 production of the Spanish rhotics by L1 Romanian and L1 French speakers". Department of Spanish & Portuguese.

Yasaman Rafat. September 2011. "Orthography induced transfer in the production of novice adult English-speaking learners of Spanish", Department of Spanish & Portuguese.

Sofía Romanelli. June 2015. "Percepción y producción de las vocales españolas /a, e, o/ en posición final de sílaba por hablantes de inglés americano general". Universidad Nacional de Mar del Plata (Argentina). Co-supervisor: Andrea Menegotto.

Olga Tararova. June 2018. **"**Yo no hablo italiano (no): Negative Concord in the speech of Italo-Mexican bilinguals in Chipilo, Mexico". Department of Spanish & Portuguese. Co-supervisor: Naomi Nagy.

Generals paper supervisor

Vanessa Shokeir. 2009. "The rise in uptalk: a study of the intonational contours of Canadian English", Department of Linguistics.

Beth MacLeod. 2009. "The acquisition of vocalic sequences by English L2 learners of Spanish", Department of Linguistics.

Anujin Munkhbat. In progress. The prosody of rhetorical questions in Mongolian. Department of Linguistics.

Secondary supervisor

Completed:

Yadira, Alvarez-López. October 2018. "Straight to the subject", Department of Spanish & Portuguese, Supervisor: María Cristina Cuervo.

Carolina Archer. May 2021. *Yeísmo* in Central Argentina: A sociophonetic study of the diverse palatal variation in the city of Córdoba. Texas Tech University. Supervisor: Brendan Regan.

Ander Beristain Murillo. March 2022. The acquisition of second patterns of inter-gestural coordination in second and heritage languages: An aerodynamic and acoustic investigation. Supervisor: José Ignacio Hualde and Ryan Shosted, University of Illinois at Urbana Champaign.

Alejandro Cuza. September 2007. "The L2 acquisition and L1 attrition interface: Preterit vs. imperfect distinctions in the ultimate grammar of Spanish-English bilinguals", Department of Spanish & Portuguese, Supervisor: Ana Teresa Pérez-Leroux.

Chiara Frigeni. April 2009. "Representations and domains in Sardinian", Department of Linguistics, Supervisor: Keren Rice.

Caitlin Gaffney. September 2021. The effect of intelligence, personality traits, and L1 fluency on L2 spoken fluency. University of Toronto, Department of French Studies. Supervisor: Jeffrey Steele.

Johana Garrido. May 2025. *The phonetic-phonological interlanguage of Haitian Creole speakers living in Chile.* Department of Linguistics. Catholic University of Chile. Supervisor: Gloria Toledo

Kevin Heffernan. April 2007. "Phonetic-level engendered variation", Department of Linguistics, Supervisor: Jack Chambers.

Manami Hirayama. November 2008. "Post-lexical prosodic structure in Japanese", Department of Linguistics, Supervisor: Keren Rice.

Angelika Kiss. June 2024. *An inquisitive semantic account of rhetorical questions and negative wh- constructions*. Department of Linguistics. Supervisor. Michela Ippolito.

Josiah Klassen. 2017. Protracted phonological development in Granada Spanish: A case study. Department of Audiology and Speech Sciences, University of British Columbia. Supervisors: May Bernhardt and Joseph Stemberger.

Jennifer Lang-Rigal. April 2014. "Perception, categorization, and attitudes of a regional dialect: la *Tonada Cordobesa*". Supervisor: Jacqueline Toribio, University of Texas at Austin.

Raquel Llama. May 2017. Cross-linguistic influence in the acquisition of L3 lexis, syntax and phonology. Department of Spanish & Portuguese, University of Ottawa. Supervisor: Juana Liceras.

Beth MacLeod. August 2012. Investigating the effect of salience and regional dialect on phonetic convergence in Spanish. Department of Linguistics. Supervisor: Yoonjung Kang.

Meï-Lan Mamode. August 2021. Contribution de l'EP à la perception et à la production des aspects rhythmiques en acquisition du français L2. Department of French Studies. Supervisor: Jeffrey Steele.

Shahrzad Mirzaei. May 2025. *Acquisition de'laccentuation en français L2 chez les apprenants persanophones*. Department of French Studies. Supervisor: Jeffrey Steele.

Erin Pettibone. December 2021. Child acquisition of non-restrictive/restrictive adjective interpretation. Department of Spanish & Portuguese. Supervisor: A. T. Pérez Leroux.

Marcos Rohena-Madrazo. July 2011. Sociophonetic variation in production and perception of obstruent voicing in Buenos Aires Spanish. New York University, Department of Linguistics. Supervisor: Lisa Davidson.

Jeannette Sánchez-Naranjo, June 2009. "The acquisition of Spanish subjunctive and the representation of meaning", Department of Spanish and Portuguese, Supervisor: Ana Teresa Pérez-Leroux.

Simona Sunara. August 2018. "L'acquisition des accents lexical et phrastique en français et anglais L2: investigation des difficultés de production et de l'efficacité des traitements pédagogiques". Department of French Studies. Supervisor: Jeffrey Steele.

Danielle Thomas. December 2011. "Clitic climbing in L2 Spanish: how adult English learners distribute object clitics in Spanish infinitival expressions", Department of Spanish and Portuguese, Supervisor: Ana Teresa Pérez-Leroux.

Hilary Walton. February 2025. *L2 Acquisition of French speech by Anglophone Core French and French Immersion learners*. Department of French Studies. Supervisor: Jeffrey Steele.

Chao Zhou. April 2021. L2 speech learning of Portuguese /l/ and /ɾ/ by L1 Mandarin learners: Experimental evidence and theoretical modelling. University of Lisbon. Supervisors: M. J. Freitas & A. Rato

In progress:

Michela Gentile. *Inflection and derivation in Italian and Spanish N-N Compounds: A psycholinguistic approach*. University of Ottawa. Supervisor: Juan Muñoz Liceras

Adriana Ortíz. *Students' beliefs and attitudes on self-assessment*. OISE. Supervisor: Enrica Piccardo.

María Emilia Pandolfi. *Consonant duration as a contrastive aspect between Italian and Buenos Aires Spanish.* University of Buenos Aires. Supervisor: Mónica Tripodi

Owen Ward. *The role of vowel reduction in the perception and production of lexical stress by Spanish and Portuguese speakers*. Department of Spanish and Portuguese. Supervisor: Anabela Rato.

Administrative positions

Positions held and service on committees and organizations within the University

Associate Chair, Undergraduate, Department of Spanish and Portuguese (July 2022-June 2025).

Acting Vice Dean, Faculty & Academic Life, Faculty of Arts & Science (January-July 2023)

Chair, Department of Spanish & Portuguese (July 2014 to July 2019)

Associate Professor, Department of Spanish & Portuguese (July 2007 to 2014)

Faculty Club, Board of Directors, 2017 – 2022.

Jackman Institute for the Humanities, Advisory Board, 2016- 2019.

Faculty of Arts & Science, Teaching and Learning Committee, 2016- 2018.

Faculty of Arts & Science, Admissions Committee, 2016 – 2018.

Faculty of Arts & Science, DACCA Committee, 2016

Department of Spanish & Portuguese, Chair, 2014 – 2019.

Faculty of Arts & Science, Council. Departmental representative. 2013
